Make a statement on your mantel, enfilade or tabletop with this antique "Haute Epoque" carved santo figure. Created in Spain, circa 1680, the bust is set on a wooden integral plinth, and features the head of Jesus Christ. The unique, religious bust is in excellent condition commensurate with age and use, and adorns a rich patinated polychrome and painted finish. The square shaped stand from a later addition is painted black. Measures: 4.25" W x 6.25" D x 12.25" H
