Decorate a dining room with this large antique table. Crafted in France circa 1820, the table is round in shape and stands on six elegant "Jacob" legs ending with bronze casters. Opening the table at its center with three extensions leaves bringing the total length to almost 9 feet! The long and wide Directoire banquet table is in excellent condition commensurate with age and use, and adorns a wonderful and rich walnut patina. The table full extended would sit 12 to 14 guests.
