Use this colorful antique bidet as a jardiniere or planter! Crafted in France circa 1780, the bathroom decor stands on a sturdy walnut base with two hand holes to easily remove the ceramic bowl. The basin is hand painted with colorful patterns all along the edge and array of flowers and leaf motifs in the center all in a blue, yellow, green, and orange color palette. The elegant ceramic dish is in good condition commensurate with age with soft colors and a rich walnut patinated finish. Versatile, this unique piece could also be used as a water bowl for your dog. Stamped with "GP" on the back. Old repair of the back of the porcelain bowl - see pictures for details. Measures: 15.25"W x 22.25"D x 13.5"H
