Decorate a powder room or entry with this antique wall mirror. Crafted in Italy, circa 1760, and rectangular in shape, the gilded frame showcases intricate craftsmanship with elaborate carvings. The ornate design features floral motifs, scrolling acanthus leaves, and a central crest at the pediment embodying the exuberant and decorative Rococo style. The mirror's asymmetrical shapes and elegant curves reflect the period's fascination with movement and natural forms. The gilt finish, though aged, highlights the opulence and artistic flair typical of Italian Rococo design, making it a striking and valuable antique piece. The Louis XV style mirror is in excellent condition commensurate with age and use, and adorns a rich gold leaf rubbed and patinated finish. Measures: 30" W x 37" H.
