Embellish a coffee table with this elegant antique tray table. Crafted in England, circa 1890 and built of burl walnut, the oval plateau features a raised scalloped edge around the scalloped periphery, and is dressed with two intricate bronze handles at the end. The surface is decorated with a central marquetry and inlay medallion with shell motif, and the underside is covered with a green felt. The large serving tray is in excellent condition commensurate with age and use, and adorns a rich walnut patina. Measures: 23" W x 16" D.
