Add a touch of "Old World" flair to your hallway room or powder room with this elegant light fixture. Crafted in France circa 1880, this circular fixture embodies the elegance of medieval design, featuring four hammered torchère-style arms, each resting on individual bobeches and adorned with decorative candle sleeve covers for an authentic vintage look. The chandelier is suspended by its original four chains, all converging at a forged iron ring at the top. The Gothic style chandelier is in excellent condition and adorns its original patinated black iron finish. This chandelier not only illuminates but also brings historical character to any space, creating a warm and inviting ambiance perfect for traditional or rustic interiors. Included: A canopy, loop, with original chains and top crown; each color-matched to the fixture. Measures: 18.75" Height 32" Diameter.
