For a unique lighting feature, look no further than these four elegant antique sconces. Crafted in France circa 1880, the outdoor wall lights feature a dome shaped top and dressed with around finial at the base. Each fixture has two lights in the center surrounded by three glass panels, and a latching door for easy access to the bulbs. Each light has new wiring and dressed with decorative candle cover sleeves. The light fixtures are in excellent condition commensurate with age and use, and adorn the original, neutral black patinated painted finish. Use them to decorate a front entrance or an outside patio with this set of wall lanterns. Ready for easy and immediate use! Could be sold as a pair if necessary. Measures: 12.5"W x 6.5"D x 22.5"H
