Decorate a coffee table with this elegant and beautiful antique tray. Crafted in France, circa 1870 and oval in shape, the colorful tray, dressed with side handles, features a hand painted center medallion depicting an illustrated, detailed outdoor scene in the manner of Francois Boucher; the tray is further embellished with a ring of green and gilt painted vine leaves surrounding the painting. The tray table is in excellent condition commensurate with age and use, and adorns rich colors over a rouge background associated with gilt accents. 21" W x 16.5" D
