This elegant antique pedestal was crafted in the Burgundy region of France, circa 1870. Built of walnut, the tall column stands on a square plinth base over a circular, barley twist and turned stem, decorated with hand carved laurel leaf, foliage, floral motifs; it is further embellished with swag decor under the top. The square surface could accommodate a bust, a large vase, or any decorative porcelain "Piece de Forme". The heavy pedestal table is in excellent condition commensurate with age and use, and adorns a rich walnut patina. Measures: 10.75" W x 10.75" D x 38.5" H.
