Decorate a ranch or hunting lodge with this charming antique painting. Crafted in France circa 1870, and set in a carved gilt wood frame, the painting captures a rustic hunting scene set in a golden, sunlit field. A hunter, clad in simple attire, aims his rifle at a pair of birds taking flight. His loyal hunting dog stands alert by his side, immersed in the moment. The painting's earthy palette reflects the dry, textured landscape, contrasting with the soft blue sky overhead. The artist's attention to detail is evident in the naturalistic portrayal of the vegetation and the hunter's focused stance. This piece evokes a sense of tranquility and the timeless bond between humans, animals, and nature, highlighting the era's pastoral charm. The artwork is signed by the artist in the lower right corner, but is unreadable. The painting is in excellent condition commensurate with age and use, and adorns rich colors. 19"W x 22"H
