This large, charming, antique clay figurine statue was sculpted in France, circa 1880. The sculpture depicts two children playing with a goat. The figures are nicely carved and have detailed facial expressions and movement. The piece is signed on the base "P de Leonardi" and is in excellent condition with a rich patina. Place this piece on a mantel, shelf or tabletop for added beauty and texture. Measures: 25" W x 10.5" D x 20" H. SKU: 161-74
