Add an air of drama and elegance to your home with this elegant antique candlestick. Crafted in Italy circa 1880, the candle holder stands on a tripod base ending with escargot feet; the decorative fluted stem is embellished with hand carved leaf motifs and embellished with a metal bobèche at the pediment to collect extra wax. The detailed candlestick flaunts its beautiful, original two-tone polychrome light brown and white painted finish with gilt and silver accents. The candle holder is in excellent condition with a rich patinated painted finish. Candle not included. Measures: 9.5" W x 9.5" D x 22" H.
