Decorate a kitchen wall with this elegant antique cornucopia vase. Crafted in France, and made of faience, the vase features acorn and leaf motifs on branch form, all in high relief. The majolica wall decor is hand painted in the green and brown palette. The large flower vase is in excellent condition and adorn rich colors. The piece of art is further signed on the underside by the artist J. Cachard and dated 1915 for further authentication. Hooking devise in the back for easy installation. 8"W x 18.5"H
