This elegant, antique centerpiece tray was crafted in France, circa 1920. Oval in shape and built of bronze, the shallow dish is decorated with a pair of love birds standing over cherry and leaf motifs, all in high relief. The heavy Art Nouveau vide poche is in excellent condition and adorns a rich patinated bronze finish throughout. The Classic piece would make a wonderful vide-poche or could be placed as a center table piece filled with fruit or sweets. 15"W x 9"D
