Decorate a buffet or dining table with this colorful ceramic cache pot. Crafted in France, circa 1920 and oval in shape, the jardinière stands on four paw feet and is dressed with lion head form handles. The faience planter is decorated with hand painted floral motifs in the blue, white and yellow palette. The piece is in excellent condition with a wonderful crackled finish. Wear consistent with age and use. Measures: 21" W x 11" D x 7.5" H.
