Decorate a game room or a den with this elegant folding card table. Crafted in France circa 1930 and built of mahogany wood, the square table stands on tapered legs, and dressed with a single drawer with chip storage compartments inside; the table is further decorated with marquetry bands throughout and the top is dressed with beautiful marquetry motifs. Opening the table by unfolding the four napkin form sides and twisting the whole top in a secure position, it reveals a larger surface upholstered with green velvet; it is further embellished with four brass cup holders for poker chips or to set drinks. The Louis XVI style game table is in excellent condition commensurate with age and use, and adorns a rich walnut patina. Practical, unusual and versatile, the table could also be used as a side or occasional table. Key included. Measures: 21.25"W x 21.25"D x 30" H (closed) 30.25"W x 30.25"D x 28.5"H (opened).
