

EARLY 20TH CENTURY FRENCH POLISHED IRON ROOSTER FIGURE

\$1,800

SKU: 211-376

Stock: N/A

Categories: [Statues, Busts & Figurines](#)

Decorate a kitchen or breakfast room with this antique iron rooster. Crafted in France, circa 1920, the tall sculpture features a majestic chanticleer rooster standing on a round base. The elegant bird, symbol of France, is in excellent condition with wonderful details including the plumage, and adorns a rich polished silver and black steel finish. Place the chicken figure on a kitchen counter for good luck karma! Weight 20 pounds. Measures: 13.5" W x 7.5" D x 16.75" H.
