Place this elegant antique stone planter on your patio for a timeless flower display. Crafted in France circa 1920 and built of concrete, the large sturdy jardinière is round in shape embellished with acanthus leaves at the base; it features a wide flared rim at the top over tapered body; the body is decorated with raised swag of fruit and heraldic crest and crown motifs in high relief. The heavy Medici form garden urn is in excellent condition and adorns its original weathered patinated finish throughout with evidence of outdoor use. Weight 140 pounds. Measures: 28.5" diameter 20.5" height.
