This beautiful "Armoire Lyonnaise" from France was carved, circa 1760. The antique cabinet has a double bonnet top with an exquisite, carved shell motif in the center, two carved centre doors, a shaped apron with curved feet at the base. The impressive, stately armoire has all original shelving, a key and a lock. This is a true museum piece with deep and rich patina, grand presence and impeccable design. Place this armoire in a family room to hold blankets or entertainment accessories, or in a bedroom to hold clothing. Measure: 66 W x 27 D x 106 H. SKU: 153-406
