Decorate a dining or breakfast room this elegant suite of vintage chairs and matching armchairs. Crafted in France circa 2010, each large chair is built of solid walnut and rests gracefully on classic cabriole legs ending with escargot feet. Each chair showcases a rounded, arched back crowned with scroll work at the pediment. Beneath the wide, deep seat, a bombe apron is decorated with a delicate carved floral motif. The backs are embellished with finely hand-woven cane, complementing the plush, cushioned seats upholstered in a blue and white foliate fabric. The set contains 4 chairs and 2 armchairs with armrests designed for host and hostess at the ends of the table. The six Louis XV style dining chairs are in excellent condition commensurate with age and use, and adorn a rich walnut patina along with patinated beige caning. A few stain spots on the fabric (see detailed images). Armchairs -- 23.25" W x 25.5" D x 41" H. Sidechairs -- 20.5" W x 25" D x 41" H.
