Add extra seating to a covered outdoor space with this elegant yet simple forged iron bench from France. Complete with a silvered polished finish, the three-seat bench has gracious lines, beautifully scrolled armrests, a curved back and four legs connected to a double stretcher ending with hoof feet. The bench is signed "Sauveur a Arras" (city north of Paris). The garden seating is in excellent condition and could be used indoor as well as outdoor with extra protection coating to avoid rusting. Measures: 58.5" W x 26" D x 32.75" H.
