Set in the original carved gilt wood frame and painted in France circa 1860, the antique canvas depicts a pastoral scene with soldiers on horse-drawn carriage stopping in front of a farmhouse. The soldiers are wearing Napoleon III uniforms, and the artwork is full of exquisite details throughout the painting, including peasants washing their clothes with a small dog looking on. The colorful painting is in excellent condition with wonderful and vibrant colors. Measures: 32"W x 26"H.
