Categories: [Vases, Jardinières, Planters & Centerpieces](#)

Crafted in China circa 1950, and standing on a carved wooden base, the tall porcelain vase is round in shape with an elegant long and wide neck. The colorful antique urn is decorated with hand painted figural motifs with people on horses. The large Famille Rose vessel is in excellent condition, with soft pastel colors in the blue, green and yellow palette. Six-character Qianlong markings underside for further authentication. Measures: 15" Diameter 37" Height. Total height with the base: 47.25".
