Add the perfect amount of chinoiserie into your home with this colorful porcelain lamp. Created in China circa 1950 and round in shape, the Famille Rose style lamp was made by converting a vintage Chinese vase into a classic table lamp. The ceramic vase is hand painted with floral, bird and people motifs in a primarily green and pink color palette. The tall, exotic light with decorative brass foo dog handles is in excellent condition commensurate with age and use. This unique lamp would make a great addition for a console or bedroom nightstand.
