Categories: [Vases, Jardinières, Planters & Centerpieces](#)

Decorate an entry or a room corner with this important colorful antique jar. Crafted in China circa 1950, the important Family Rose vase is round in shape decorated with a scalloped rim at the top. The tall vase is embellished with hand painted Chinese motifs throughout. The large temple vase is in excellent condition with wonderful colors in the rose palette, and embellished with gilt accents. Red seal Qianlong style characters on the underfoot for further authentication. Measure: 51.75" Height.
