Categories: [Vases, Jardinières, Planters & Centerpieces](#)

Decorate a side table or enfilade with this elegant antique vase. Crafted in France circa 1960, the tall neoclassical vase sits on a octagonal base and embellished with a wide mouth at the top. The Classic, cut crystal vase is decorated with a scalloped edge, and embellished with etched decor of sun flower, star and geometric motifs. The large vessel is in very good condition commensurate with age and use. Small chips on the edges. 7.5" Diameter 11" H
