Categories: [Trays, Plates & Platters](#)

Serve food in style on this elegant antique tray. Crafted in France circa 1950, the decorative tray sits on four curved feet decorated with shell motifs, and features ornate handles on the sides, elaborate scalloped scrolls around the perimeter and engraved floral decor on the surface top. The piece is in excellent condition with a rich silver finish. Markings on the top and underfoot for further authentication. Measures: 28.25" W x 18.5" D x 3"H
