Light up your entryway with this elegant brass lantern fixture; crafted in France circa 1970, the tall round lantern is decorated with the four brass dividers decorated with foliage motifs and ending with a center finial at the base. The traditional, timeless lantern features a center stem with four lights newly wired inside curved glass panels, and dressed with decorative candle sleeve. The classic, vintage Napoleon III style lantern is in excellent condition and adorns a rich antique patinated bronze dore finish. 13" Diameter 30" H
