Add surface space in your bedroom with this elegant pair of antique nightstands. Crafted in France circa 1880, each cabinet built of walnut, stands on escargot feet over a scalloped apron decorated with a shell motif; each traditional piece with clean lines features a single drawer decorated with an intricate brass handle, over a single paneled door, also embellished with a brass knob, and opening to center interior shelf for ultimate storage. The surface is dressed with the original variegated grey and white inset marble top. Decorate a master bedroom or guest room with this true pair of nightstands, one opening to the right, the other to the left! The tall Louis XV style bedside tables are in excellent condition commensurate with age and use, and adorn a rich walnut patina. Measures: 19.25" W x 13.75" D x 38" H.
