These Classic, antique Art Deco club chairs were crafted in France, circa 1920. The stately chairs feature wide, rounded armrests, a pitch back with an arched top shape, and square wooden feet at the base. The Classic, masculine French chairs are upholstered with their original patinated brown leather upholstery, and are further embellished by decorative brass nailheads. The comfortable, sturdy armchairs are in good condition commensurate with age and use (some crackling at the pediment, but no tear; see images). They would make a stylish, comfortable addition to a man's study, library, or a game room. Measures: 37" W x 37" D x 36" H.
