Decorate an office, study or hunting lodge with this elegant pair of antique paintings. Created in France circa 1880 and hand painted on canvas, the artworks are set in the original carved giltwood frame. Each artwork depicts a typical French "Chasse a Courre" (or hunt with hounds in English). One hunting composition features riders in traditional red clothing on their horses and chasing a deer with their dogs running. The other features three hunters on their horses in a beautiful outdoor park. Both artworks are signed in the lower right corner by the artist, Florantin. The large paintings are in excellent condition commensurate with age and use, and adorn wonderful colors with great details. A wonderful addition for any avid hunter! 31"W x 27.75"H
