Incorporate beautiful colors into your home with this fine pair of antique ceramic vases from southern France. Crafted circa 1880, the vases are ornate in decoration yet simple in shape. The tall, colorful vases feature a circular bottom and a wide mouth at the top. Both faience vases are in excellent condition and adorn rich hand painted floral and foliage decors in green, red, blue, orange and white palette. "F.F.C." marking on the underfoot. Measures: 7.5" diameter 13.5" height.
