Bring extra seating to your den or living room with this elegant pair of antique stools benches. Crafted in France, circa 1870 and square in shape, each bench stands on turned legs, over a straight plinth apron. Both large seats have been upholstered with a rich tan leather and dressed with decorative brass nail heads. The Louis Philippe style benches are in excellent condition commensurate with age and use, and adorn a warm and rich walnut patina. Measures: 16" W x 16" D x 19.5" H.
