These elegant antique bronze sconces were crafted in France, circa 1860. Each tall fixture features the traditional Louis XVI ribbon bow at the pediment embellished by foliage decor at the center and further decorated with tassel motifs at the base. Each sconce with five light, is dressed with trumpet form arms and camel faces and has new wiring; the fixture is further embellished with wax candle sleeves over round bobeches decorated with grape and vine motifs. The classical, ornate sconces are in excellent condition with a rich gilt patinated finish. Place these traditional sconces on either side of a mantel or a large mirror for a stately style. Measures: 20" W x 12" D x 38" H.
