

PAIR OF 19TH CENTURY ITALIAN CARVED WALNUT CHERUB WALL SCULPTURES

\$1,200

SKU: 241-122

Stock: N/A

Categories: [New Arrivals](#), [Religious Accents](#)

These antique wall cherub figures were crafted in Italy, circa 1880. The hand carved cherubs are expressive in their movement and feature wonderful movement and facial expressions. The religious sculptures are in excellent condition commensurate with age and use, and adorn a rich walnut patina. The wall hanging figures would make a charming addition to a living room or study in your home. Hooks in the back for easy installation. Measure: 7" W x 10" H.
