Decorate a shelf or console table with this elegant pair of antique Delft vases. Crafted in Holland circa 1920, both urns are round in shape and feature a long neck ending with a wide mouth at the pediment. Each vessel is hand painted in the traditional soft blue and white Delft palette; the center medallions are decorated with farmhouse and windmill motifs, and embellished with floral and foliage decor throughout. The porcelain pieces are in excellent condition, with soft hand painted colors, and are signed on the bottom "T. Delfts Beau" for further authenticity and provenance. Measures: 16.5" H.
