These Classic, antique Art Deco club chairs were crafted in France, circa 1920. The stately chairs stand on round wooden feet and feature wide, rounded armrests, a pitch back with an arched top shape. The Classic, masculine French fauteuils with loose cushion, are upholstered with their original patinated brown leather, and are further embellished by decorative brass nailheads throughout the back. The comfortable, sturdy armchairs are in fair condition commensurate with age and use, and would make a stylish, comfortable addition to a man's study, library, or a game room. Some crackling on the leather, see detailed images. Measures: 34" W x 35.5" D x 35"H Seat Height 15.5
