Decorate a console or buffet with this pair of elegant antique candle holders. Created in France, circa 1960, the table lamps sit on a wooden round base decorated with two candle arms over a brass stem. The lamp features two candle holders under the adjustable hand painted tole shade; the pediment is further embellished with a ring finial which could be used to hang the lighting. The fixtures are in excellent condition commensurate with age and use, and adorn a rich patinated red painted finish decorated with gilt accents. Measures: 13.5"W x 6.5"D x 21.5"H
