Crafted in France circa 1950 in the neoclassical style and made of cast stone, the pair of vintage stone planters have a stately, elegant style. Each vase stands on a square base over a gadrooned body with decorative architectural motifs around the top rim. Both heavy garden urns are in excellent condition commensurate with age, and adorn a wonderful patinated weather finish with evidence of outdoor use; they would make an elegant statement on either side of a front door, on a patio, or around a swimming pool. Large drainage hole in the center. Weights 59 pounds each! Measures: 14.5" Diameter 13" Height.
