Place these elegant antique lamps on bedside tables or on top of a console in an entry! Crafted in Italy circa 1960, each urn formed lamp features intricately carved bases with scrollwork, floral motifs, and dressed with acanthus leaf handles. The silver finish is complemented by a subtle polychrome effect, adding depth and richness to the overall appearance. Dressed with custom soft pink lampshades adorned with fringe, these lamps strike a perfect balance between opulence and charm. Both lamps are equipped with a single light. The Neo-classical fixtures are in excellent condition commensurate with age and use, and adorn a rich patinated silver leaf finish with gilt accents. Decorative custom shades included.
