Place these elegant antique lamps on bedside tables or on top of a console in an entry! Crafted in Italy circa 1960, each lamp showcases a classic and timeless design, featuring intricately carved urn-form bases adorned with acanthus leaf motifs. The combination of dark tones in the base with the metallic accents creates a striking contrast, making these lamps an ideal addition to traditional or transitional interiors. Both lamps have new wiring with two lights. The Neo-classical fixtures are in excellent condition with a blackened and rich patinated silver leaf finish. Shades not included. Measures: 7.5"W x 7.5"D x 27.75"H
