Decorate a kitchen wall or breakfast room with this elegant set of wall platters. Crafted in Italy circa 1980, each plaque depicts a typical Italian country scene with landscape, farm house, lake, boat, trees and peasant people. Every plate features a green border embellished with shell motifs in high relief, and is hand painted with soft and pasted colors in the yellow, green and beige palette. The plaques, signed by Italian artist, A. Stocco, are in excellent condition. Wire in the back for easy installation. Measures: 13.5"W x 17"H
