Decorate a garden or a backyard with this large frog. Crafted in southern France and made of terracotta, the reptile sculpture is a captivating example of ceramic artistry, featuring a vibrant green glaze that brings a sense of liveliness to the piece. The frog is portrayed in a resting position, its body sprawled out naturally, capturing a moment of stillness in nature. The rich green hue is accented with darker speckles and a glossy finish, giving the piece a lifelike quality while still retaining an artistic flair. The eyes are particularly expressive, adding a touch of character and charm to the sculpture. Crafted of terracotta, the smooth, polished surface reflects light beautifully, enhancing its visual appeal. The reptile sculpture is a whimsical yet elegant addition to any indoor or outdoor setting, perfect for adding a touch of nature-inspired decor. The ceramic animal is in excellent condition commensurate with age and use, and adorns a rich patinated green finish with black accents. Measures: 24"W x 24" D x 9" H.
