Add a beautiful shine to your home with this eye-catching vintage sun mirror. Hand carved in France circa 1990, the mirror features a central circular convex glass surrounded by rays or "bursts" that resemble stylized leaves or feathers. The design symbolizes the sun, radiating warmth and light, and these mirrors are often used as statement pieces in interior decoration. The wall decor is in excellent condition commensurate with age and use, and adorns a rich two-tone silver and gilt patinated painted finish. This elegant wall mirror would be a nice addition to a living room or hallway. Measure: 15.5" diameter
