Dress an entry or powder room with this vintage sunburst mirror. Crafted in France circa 1980 and round in shape, this mid-century metal mirror exemplifies the elegance and flair of mid-20th-century design. Characterized by its radiating spiked frame, this elegant mirror features a meticulously crafted metal construction that captures the essence of the sunburst motif popular during the period. The mirror's patina and finish give it a timeless appeal, making it a versatile addition to various interior styles, from vintage to contemporary. Its striking design not only serves as a functional reflective surface but also as a statement piece that enhances the aesthetic value of any room, embodying both art and utility in one elegant form. The large wall piece features the original convex glass; it is in excellent condition and adorns a rich, painted and patinated two-tone bronze and gilt finish. Measure: diameter: 31"
